#10 Matai Johnson / #11 Jonathan Suarez-Espinos: 12:15 versus 12:10 is inconsistent with time order. Source finishing order remains unchanged. Jonathan's division is also missing.

#16 Michael O'Sullivan and #28 Nick [surname unclear]: both are absent from the supplied 80-athlete roster. Sex is not stated on either handwritten tag. Nick's surname remains unverified.

Lauren's new times identify the recorded values. Her earlier caveat about approximate middle-race timing has not been withdrawn.
